

FRIGERIO

FRIGERIO

The company

Frigerio is a highly efficient, dynamic company operating in the distribution of soft furnishings and drapery, and boasting a forty-years' experience in the sector.

The showroom

Our kind, skilled staff is at your disposal in our showroom and our 2,200-square-metres' warehouse to meet all your requirements.

All our products are in stock, daily deliveries all over Italy: service is one of our priorities.

You can find the Frigerio Brand in the best furniture stores in Italy.

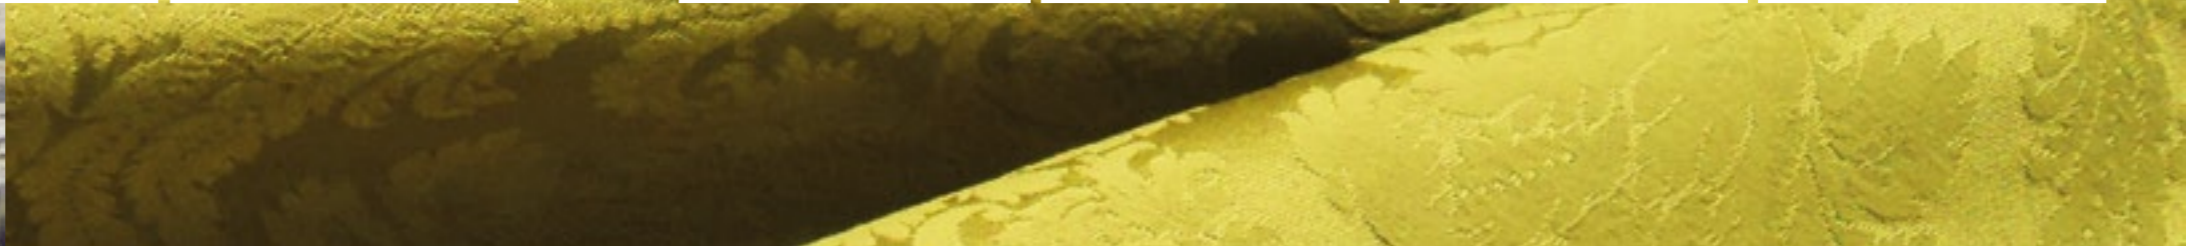

The products

The design and the accurate selection of the materials allow us to operate in the market by offering a wide range of exclusive products, starting from the mere drawing up to the finished product.

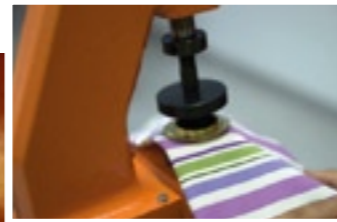

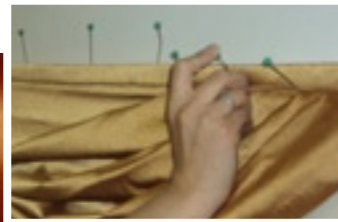

- 60 soft furnishings collections (classical, modern, single-colour items).*
- 20 drapery collections (classical, modern, single-colour and embroidered items, kitchen shades, baby room blinds).*
- Specialized in certified textile, mock-leather and fire-proof drapery for hotels and public places.*
- Technical drapes, roller blinds, automated and manual awnings.*

Drapery confection

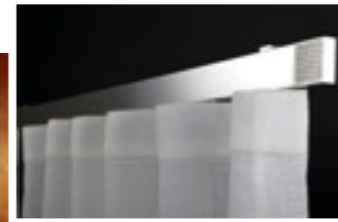

Our drapery confection department is highly qualified and employs only professional staff and machines to meet all your requirements and to complete whatever project upon request, installation included thanks to a skilled assembly team.

Confection of creased textiles under different processing types which we have created, panels, window blinds, Roman shades – both simple and with sticks –, balloon shades, pelmets, classical and modern curtains, arms and bed covers.

Tracks and ornamental staffs

A large offer of in-stock tracks, ornamental staffs and accessories for blinds.
